

# **NC STATE IS IN THE RACE!**

## **2007 DARPA 3RD GRAND CHALLENGE**

**THE DEFENSE ADVANCED RESEARCH  
PROJECTS AGENCY (DARPA) WILL  
HOLD THE 3RD GRAND CHALLENGE  
COMPETITION ON 11/3/07**

**NC STATE IS GEARING  
UP NOW TO WIN!**

### **URBAN CHALLENGE MOVES TO THE CITY**

The DARPA Urban Challenge will feature autonomous ground vehicles executing simulated military supply missions safely and effectively in a mock urban area. Safe operation in traffic is essential to U.S. military plans to use autonomous ground vehicles to conduct important missions.

# **NAME THE CAR & WIN A \$500 SCHOLARSHIP!**

We need an innovative name to embody the spirit of the competition and let everyone know the vehicle is sponsored by the NC State WOLFPACK!

### **BE A PART OF IT!**

To enter the contest, simply point your browser to: <http://www.wolftech.ncsu.edu/surveys/view/77/> and fill out the fields with your name, telephone number and suggestion(s). Contest open to NC State College of Engineering students. All entries must be received by Monday, November 13, 2006 at 5:00 pm. Only electronic entries will be accepted. For more information, contact Tara Britt at [Tara\\_Britt@ncsu.edu](mailto:Tara_Britt@ncsu.edu).
